# VERIFICATION OF GRADE REGISTRATION

## For Grade 9

Dear Students and Parents/Guardians:

**Please consult the Course Calendar** for detailed information about courses.

The courses described in the Course Calendar are SUGGESTED OFFERINGS for the 2008-2009 academic year. As outlined on the selection form, 6 of the 8 courses selections for grade 9 are mandatory as prescribed by the Ministry of Education. It is quite possible that some level of courses will not be offered due to low enrolment. Students and parents will be consulted in selecting an alternative if required. In choosing the course type and level of difficulty, student and parents should refer to **course requirements** for senior grades and Higher Learning destination.

When a student and parent sign the OPTION SHEET they are agreeing to a full commitment to the courses chosen. A wise selection of courses allows a smooth start to the school year and facilitates greater success. Maple Leaf counsellors are available for selection consultation. Any course change requests after the Course Selection process completion date are subject to approval.

This sheet must be returned to the homeroom teacher no later than **JANUARY 16, 2008**
